**ESL VISION SELECTS R&D LIGHTING & CONTROLS  
TO REPRESENT ITS LINE OF LED LIGHTING SOLUTIONS  
THROUGHOUT THE GREATER CHICAGO AREA**

**Salt Lake City, UT – September 21, 2017** – ESL Vision, a leading provider of solid-state lighting and LED solutions headquartered in Salt Lake City, Utah, announces a new sales partnership with R&D Lighting & Controls of Downers Grove, IL. R&D will represent ESL Vision's complete line of energy-efficient LED Lighting products throughout Chicago and Northern Illinois, as well as Northwest Indiana. With over 150 years combined lighting industry experience, R&D's LED lighting experts will focus on educating and selling ESL Vision's line to electricians and contractors through electrical distributors.

The new sales partnership comes as ESL recently joined NEMRA and continues its rapid expansion into electrical distributors across the United States. "I am very excited about the addition of R&D Lighting & Controls to our already stellar group of Reps, because they deliver the ideal blend of advanced lighting knowledge and experience, with superior distributor relationships. This is truly a great partnership since R&D's dedication to the distribution channel is perfectly aligned with ESL's proven loyalty to our distributor base," said ESL Vision National Sales Manager, Stephanie Reeves. R&D Principal John Rimbo adds, "We think ESL Vision adds a new dimension in quality products that are value positioned to our diverse portfolio."

**About ESL Vision**

Combining years of solid-state lighting design experience, a patented installation approach and a unique focus on electricians and supply houses, ESL Vision manufactures and offers a complete range of innovative and efficient LED lighting products for virtually any retrofit, replacement or new lighting project. ESL's solutions save users time and money by eliminating many of the hassles of installation, by reducing energy costs, and by qualifying end users for various utility company rebates and incentives. Available through electrical distributors, ESL Vision provides lighting products and systems that surpass today's industry demands, while constantly innovating for tomorrow's solutions.
