LIGHTING FLEXIBILITY WITH ADJUSTABLE WATTAGE

Available in two wattage adjustable sizes, no other economy light can offer so much flexibility. Each fixture offers four wattage options for pinpoint control of your lighting. Factory Fixed options are preset to a desired wattage for energy rebates.

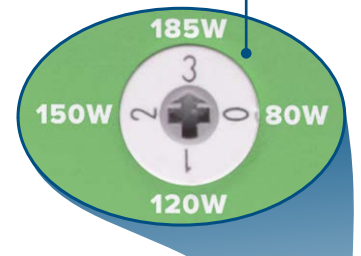

ELECTRICAL

- Input Voltage Options:
120–277 VAC
277–480 VAC
- Operating Temperature:
-40°F to 140°F (-40°C to 60°C)
- 12V Auxiliary
- 10kV Surge Protection

ADJUSTABLE WATTAGE

- Adjust the wattage with a quarter turn from the easy access panel
- Factory Fixed options available for Energy Rebates.
