REDUCE STOCK WHILE PROVIDING MORE OPTIONS!

Reducing your inventory while increasing options is possible with ESL Vision's Floodlight series. With 3 wattage and 3 kelvin selections, you are getting NINE fixtures in ONE! The overall life of the fixture is extended with the patent-pending removable photocell, making this the most versatile flood on the market.

Easy Access to Photocell with Patent Pending Removable Capabilities for Easy Servicing.

Field Selectable Wattage and Kelvin

Deep Heatsink for Optimal Heat Dissipation

Additional Yoke Mount Included with All Models

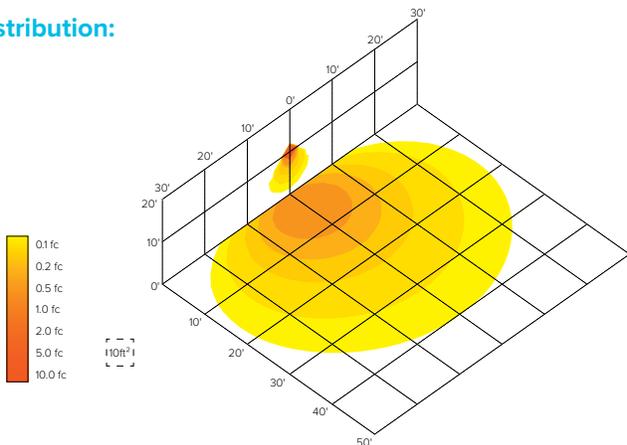

Heavy Duty 6" Cord

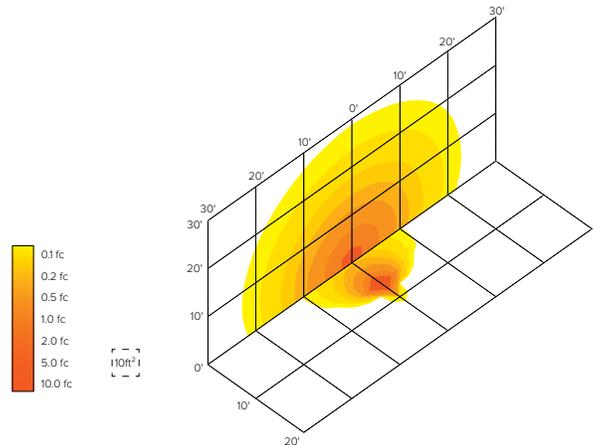

FACTORY FIXED OPTION

Energy rebates based on the highest wattage of a fixture can be maximized with our Factory Fixed options.

Lighting Distribution:

15W Exterior mounted at 10 feet.

15W ground mounted at 6 inches.
