

WARNING

1. Turn off electrical power before starting installation of lamps.
2. Before conducting any installation, maintenance, or removal, disable all power.
3. Do not touch the lamp while it is in service.
4. Do not connect this lamp to a dimmer.

THIS IS A TEST

VECTOR STUFF

1 Be sure to remove the existing ballast if there is one and discard in accordance with local laws and regulations. Please see proper wiring diagram above.

2 Screw in the LED lamp into the receptacle and make sure it is seated properly.

3 Apply warning label stating that the fixture has been modified to only operate LED lamps.
