

WALL PACK SERIES

Illuminate your property with confidence using the Wall Pack Series from ESL Vision. Our Wall Pack and Full Cutoff Wall Pack are built to withstand the harshest elements and feature selectable wattage and kelvin, built-in photocell, 0–10V dimming, 10kV surge protection, and more. With contractor-friendly installation and a 5 year warranty, the Wall Pack Series is the smart choice for your lighting needs.

WALL PACK

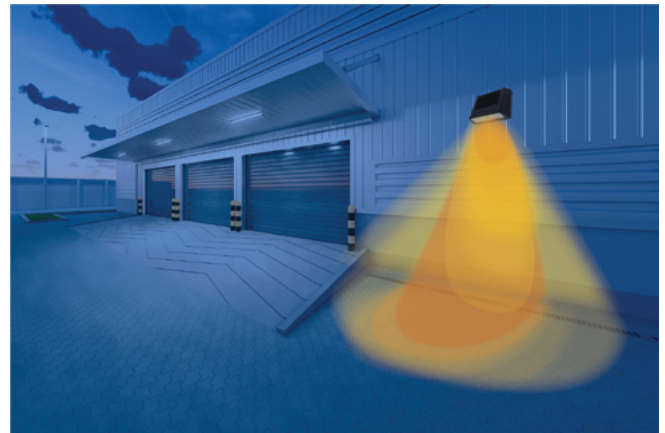

40W–55W–70W & 70W–85W–100W

FULL CUTOFF WALL PACK

25W–40W–55W & 65W–85W–110W

When it comes to outdoor lighting, choosing the right type of Wall Pack is important. While the Wall Pack allows for some upward lighting, the Full Cutoff Wall Pack is optimized for areas where minimizing light pollution is a priority. Both solutions are perfect for distributors looking to save on warehouse space, and for installers who prioritize quality, convenience and flexibility.
