ESL VISION

INTELLISENSE™ SERIES

The IntelliSense™ Series features an innovative and cost-saving design with kelvin and wattage selectablity, 0–10V dimming and easy installation. Plus, the integrated IntelliSense™ receptacle allows you to transform your fixtures from Simple to Smart in a snap. Pair them with SoloSense™ or MultiSense™ PIR & Daylight Harvesting Sensors for the precise amount of control your application requires.

BACKLIT PANELS

SIZE	SELECTABLE WATTAGE	SELECTABLE KELVIN	MAX LUMEN OUTPUT	MAX EFFICACY (lm/w)
1'x4'	20W–30W–40W	3500K–4000K–5000K	5,180	143
